## Lando Calrissian and the Starcave of ThonBoka

**L. NEIL SMITH**

For a year Lando Calrissian and Vuffi Raa, his five-armed robot astrogator, had roamed space in the Millennium Falcon, seeking or creating opportunities to turn an easy, but not too dishonest, credit.

But now their partnership seemed doomed—for Lando's uncharacteristic impulse to help a race of persecuted aliens had suddenly made him and Vuffi vulnerable to several sets of their own enemies...not least of whom was the evil Rokur Gepta, the Sorcerer of Tund!
